

## Jasbirkaur Thadhani | Counseling Psychologist

Jasbir enjoys warm and curious conversation with adolescents, where they share, discuss and talk about almost every aspect of life. She believes that unconditional and nonjudgmental environment helps an individual to grow holistically.

She has done her Masters in Psychology from Gujarat University. Her area of specialization is 'emotional maturity'. Her humanistic approach in counseling emphasis on being emotionally intelligent. Apart from counseling, her interest lies in reading and writing about human behavior.
