

INFINITE INSIGHTS

A journey through India's mathematical marvels

2023 CONVERSATION SERIES : PART 1

Join us for a captivating journey through the rich tapestry of India's scientific heritage. This conversation series is a platform open to all, where the past and present converge in exploring India's Knowledge Systems.

Joint Sessions

SPEAKER

PROF. M.D. SRINIVAS

Former Professor, Theoretical Physics, University of Madras, and Guest Professor, IIT Gandhinagar

SPEAKER

PROF. K. RAMASUBRAMANIAN

Institute Chair Professor, Cell for Indian Science and Technology in Sanskrit (CISTS), IIT Bombay

MODERATOR

DR. RAGHAVASIMHAN THIRUNARAYANAN

Guest Faculty, IIT Gandhinagar

MODERATOR

PROF. TANYA SRIVASTAVA

Assistant Professor, Dept. of Mathematics, IIT Gandhinagar

More Information

Timings & venues of the four sessions:

16 Nov, 10:00 to 11:30 AB 1/201	Scholars' journey through the history of science
16 Nov, 16:00 to 17:30 AB 1/102	Highlights & riddles in the history of mathematics
17 Nov, 10:00 to 11:30 AB 1/201	The importance and relevance of history of science
17 Nov, 16:00 to 17:30 AB 6/202	Prospects in school and higher education
